

SPORT

**IT'S MORE
THAN A
GAME**

Around the rinks and playing fields, the pools, the ski hills and trails in Canada, emulating their heroes, are thousands of young Canadians of all backgrounds, learning together. Cheering them on, coaching them, and enduring the endless rounds of car pools...are the parents who through their countless hours of 'parent duty' experience the positives of sport as well.

(The Sports Federation of Canada, 1991)

Thank you.
